WHITGIFT SCHOOL SOUTH CROYDON

THE REQUIREMENT

Whitgift School is one of Britain's leading independent schools for boys. This state-of-the-art, £6m boarding house offers a wider range of qualifications than any other British School today. The requirement was for a varying range of bespoke doorsets complemented with robust, top quality ironmongery.

THE SOLUTION

Using our diverse range of styletech products, the solution was to provide European Oak veneer doorsets with matching frames and wall panelling, with satin stainless steel lever and pull furniture. Other related ironmongery was selected and installed including washroom fittings.

THE INDEPENDENT SCHOOLS ACTON

THE REQUIREMENT

This special-needs school was created by refurbishing the former church of St Aidan of Lindisfarne.

THE SOLUTION

Working with the contractor and architect, we proposed ironmongery focusing on durability, manageability and suitability for children with special needs. Our specification included several stainless-steel products, including 'D' handles in easy-to-use sizes and turn-and-release washroom locks suitable for the less able.

RIZON JET BIGGIN HILL, KENT

THE REQUIREMENT

Rizon Jet provides premium air travel services for discerning business travellers, including chartering, maintenance and fixed-base operations.

Rizon Jet approached us to supply high-end products for their luxurious VIP Passenger Building at Biggin Hill Airport in Kent. The firm was particularly concerned that the reception and lounge areas, which are used by clients and passengers, should be as prestigious as possible.

THE SOLUTION

We supplied Regal Range lever handles and associated products for the offices and boardrooms in the VIP Passenger Building.

The passenger lounges, reception areas and bathrooms were fitted with levers from the same range in a bronze finish.
