This month we meet Lauren Burton, Styletechs very own project progressor!

Lauren Burton, Styletechs Sales Support Executive has just celebrated her first anniversary with Bellsure and some might say that she couldn't be in Styletech at a more exciting time! Her experience spans a variety of industries including construction, marine equipment, hygienic walling and cladding, fire curtains and even bomb disposal!

Lauren's strong admin background is a direct result of 10 years' experience within sales, office management and multiple team leader positions.

“...the daughter he never had, someone with a great sense of wit and that loves Instagram...”

## 1 / ARE YOU GOING ON HOLIDAY THIS YEAR?

Me and my partner Mike have booked our first holiday together, 10 days all inc in a 5\* hotel in Crete, Greece. Hence the slimming world diet I started on 31st December!

## 2 / WHAT DO YOU ENJOY DOING OUTSIDE OF WORK?

NETFLIX!! Shopping. I enjoy doing Pilates on a Wednesday with the girls at Bellsure and the exercise classes I attend with Maria Schillemore from our Vista department.

## 3 / DO YOU HAVE ANY SIBLINGS?

I love spending time with my sassy and gorgeous 13 year old sister!

## 4 / DO YOU HAVE ANY PETS?

I love looking after my partners dogs Django and Nima, Pug and French bulldog who are both absolutely AMAZING.

## WHAT THREE QUALITIES DO YOU NEED IN YOUR ROLE?

- > Focus
- > Teamwork
- > Confidence

All three together ensure credibility with our clients...

Her favourite role (previous to Bellsure obviously) was working for a Modular Construction company, seeing buildings go up in their factory, skated out and then craned into position on site.

Laurens new role will see her using Bellsures CRM and Barbour ABI to track and progress projects, there'll also be aspects of business development and support.

Laurens Line Manager Katy Oliver says she is the diamond of the office! Her colleague Tony describes her as the daughter he never had, someone with a great sense of wit and that loves Instagram...it's also been a year since Lauren got the keys to her first home which she's fully renovated into a princess palace!

The famous French Bulldog & Pug duo...

## WHAT HAVE WE BEEN WORKING ON THIS MONTH?

### Peach Place - Streetsure

A beautiful collection of galvanised steel and Iroko hardwood shelters were craned onto the rooftop of a new development for Dawnus Construction. Each resident will have access to a unique, specially designed storage facility that can be used to park bicycles, store their waste, recycling or general outdoor items.

### Door Kits - Vista

The Vista team have put together 7 easy to purchase and easy to install door kits, making fitting a glass door, the easiest its ever been! Contact the Vista team today for product information and price breaks.

### Battersea - Styletech

Our Styletech team have been working hard on three residential sections of the Battersea project, providing internal door sets for the innovative, ultra modern site.
