## PRODUCT HANDBOOK

DYNAMIC GLASS SOLUTIONS FOR OFFICE  
FIT OUT & RETAIL SHOP FRONTS

## YOUR SPECIALIST ARCHITECTURAL SUPPLY CHAIN PARTNER

Bellsure - the contractor's friend since 1995. With a strong background in the construction industry, Bellsure began its journey as an architectural ironmongery expert.

And you'll find the same today - only our products and services have expanded to meet the needs of our diverse client base - including main contractors, office fit out companies and retail shop front specialists.

We have a very practical, straight-forward and customer-focused approach, working with a range of people on each project - from architects and designers to commercial and site teams.

Bellsure - your trusted architectural supply chain partner.

## SUPPORTING YOU FROM CONCEPT TO COMPLETION

### INFORM

Access our specialist technical skills and supply chain in a range of architectural hardware fields. We have specialists in doorset scheduling, automatic doors, architectural ironmongery, glass partitioning and shop facades, glass balustrades, street furniture, cycle storage and car parking solutions.

### ADVISE

We pride ourselves on having the in-depth knowledge you need. Our customers come back to us time and again because they trust the advice we give. Bellsure are already a trusted adviser and an established supplier to thousands of contractors.

### DESIGN

We work closely with our customers to make sure that your design is the best that it can be - fantastic looks, compliance, functionality and space saving are all considerations that we discuss with you during the planning and design process. For architects and contractors, we supply free CAD drawings as part of our friendly, efficient service.

### INSTALL

Working with our approved sub-contractors, we can support you with the installation, commissioning and maintenance for any of our products.

**CONTACT US** 01730 719 292 | [www.bellsure.co.uk](http://www.bellsure.co.uk) | [info@bellsure.co.uk](mailto:info@bellsure.co.uk)

## OUR DIVISIONS

Cycle parking solutions, shelters and enclosures, street furniture, car parking products and mailboxes. We work with a range of clients and partners to design, supply and install bespoke street scene solutions.

We supply a wide range of architectural ironmongery, complete doorsets, automatic doors, access control and washroom fittings to the construction sector.

Stylish glass fittings for shop fronts, office fit-out projects, showers and wetrooms. Cost-effective, safe and structural balustrades for residential and commercial projects.

## OUR ACCREDITATIONS

Pre-qualified, quality assured, health & safety accredited for your peace of mind.

**CONTACT US** 01730 719 292 | [www.bellsure.co.uk](http://www.bellsure.co.uk) | [info@bellsure.co.uk](mailto:info@bellsure.co.uk)

**Think Glass. Think Vista. A perfect fit.**

From complete glass shop fronts and entrances to office partitioning systems and shower cubicles - Vista have a range of fittings to meet your needs.

Available in a wide variety of glass thicknesses and finishes, we can help you construct the perfect glass environment.

Find out about using our innovative products and proven customer service.

### Aluminium Round Profile

Ref: 03.380

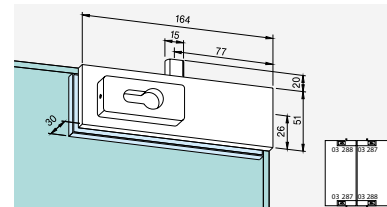

for pinch free doors with 65mm pivot point, consisting of 2 halves, prepared for Universal fittings or door rails (76.5mm or 100mm).

Please indicate: Panel height (max. 2500mm, higher dim. on request)  
Required preparation of the profile for top and bottom fittings

## CORNER LOCKS

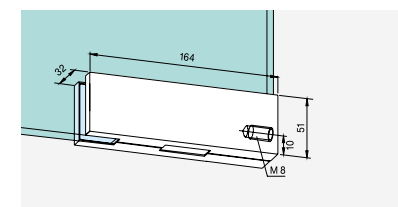

- 15mm and 19mm fittings available
- Available in Satin/Polished Stainless Steel and Satin Anodised Aluminium

### Corner Lock

Ref: US10

Prepared for Europrofile cylinder  
single throw bolt projection 20mm

### Single Overpanel Strike Box

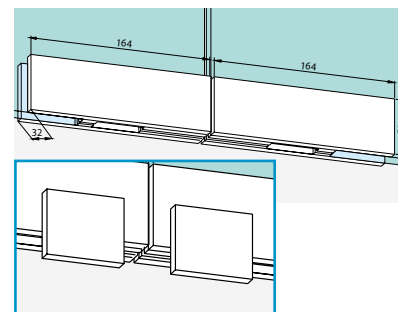

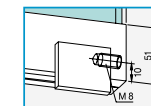

Ref: GK30

to suit US 10 corner lock

**with Stop**

Ref: GK30.1

L/H, R/H

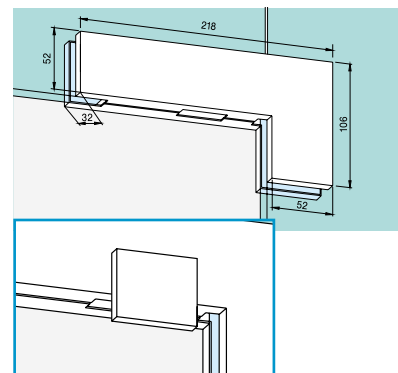

### Double Overpanel Strike Box

Ref: GK20

to suit US 10 corner locks,  
consisting of two GK 30 with  
threaded connecting bolt

**with Stops**

Ref: GK20.1

### Corner Overpanel Strike Box

Ref: GK40

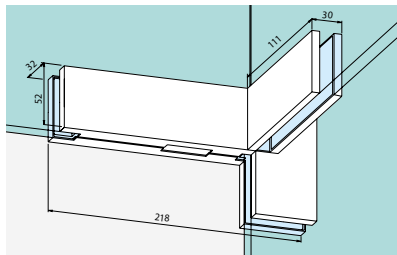

to suit US 10 corner lock

**with Stop LH**

Ref: GK40.1

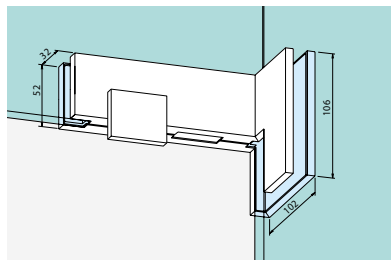

## CENTRE LOCKS & STRIKES

- Available in Satin/Polished Stainless Steel and Satin Anodised Aluminium

### Strike Box

Ref: GK41DLH - left hand  
Ref: GK41DRH - right hand

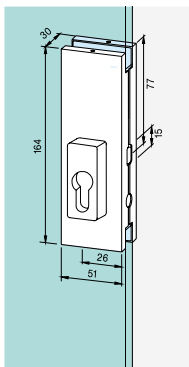

### 90° / 135° Strike Box

Ref: GK42DLH - left hand  
Ref: GK42DRH - right hand

### Strike Box

Ref: GK50

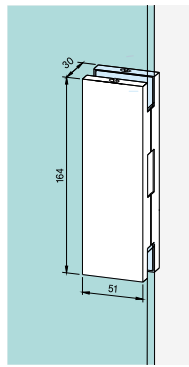

to suit US 20  
centre lock

### Strike Box

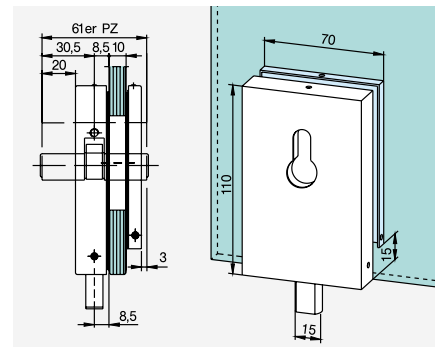

Ref: US20

prepared for  
Europrofile  
cylinder,  
single throw,  
bolt projection  
20mm

## CORNER & CENTRE LOCKS

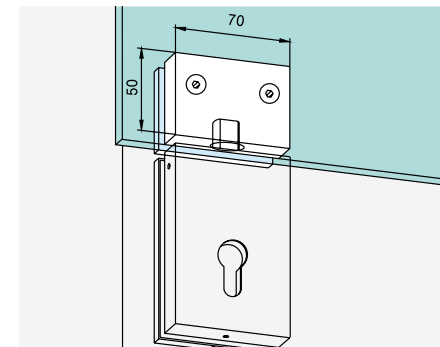

- Available in Satin/Polished Stainless Steel and Satin Anodised Aluminium

### Corner Lock

Ref: 05.100

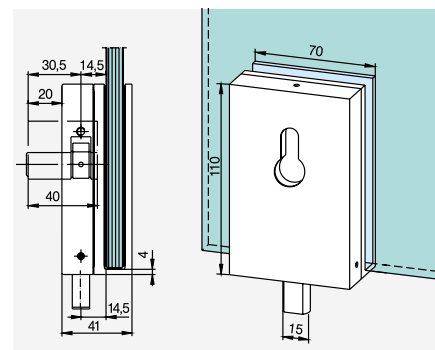

for vertical or horizontal fixing, double  
throw, bolt projection 20mm prepared  
for Europrofile cylinder

### Strike Box

Ref: 05.108

to suit corner lock (05.100)  
for single door without stop

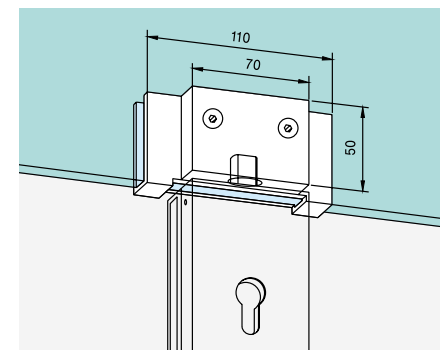

### Slide Over Corner Lock

10mm glass Ref: 05.106

12mm glass Ref: 05.130

for retro-fitting, double throw, bolt  
projection 20mm, Europrofile cylinder

### Slide Over Strike Box

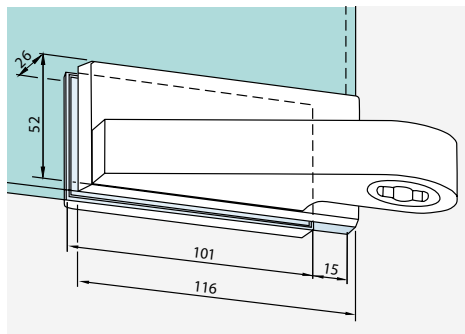

10mm glass Ref: 05.112

12mm glass Ref: 05.132

for slide over corner lock  
for single door

## OFFSET EA PATCH FITTINGS

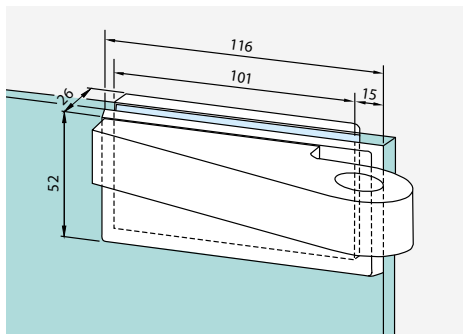

- For offset hung doors in rebated frames

### Bottom Patch

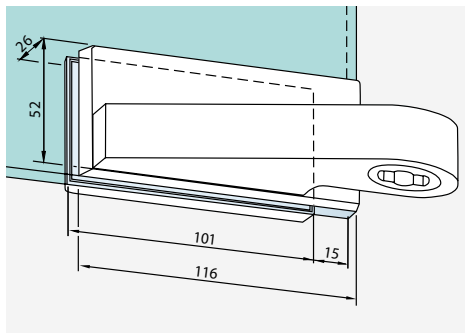

Ref: 02.160LH  
Ref: 02.161RH

to suit DORMA floor spring spindle

### Top Patch - 24mm stop depth

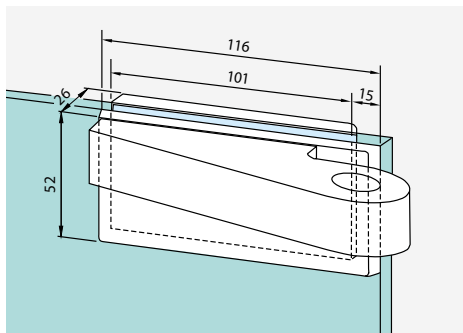

Ref: 02.166LH  
Ref: 02.167RH

### Bottom Patch

Ref: 02.106LH  
Ref: 02.107RH

to suit DORMA floor spring spindle  
or round pivot

### Top Patch

Ref: 02.118LH  
Ref: 02.119RH

## OFFSET EA PATCH FITTINGS

- For offset hung doors in toughened glass assemblies

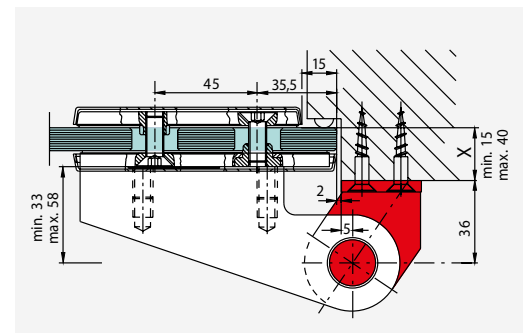

### Top Patch - 24mm rebate

Ref: 02.206LH  
Ref: 02.207RH

Complete with pivot for frame fixing

### Top Patch - 40mm rebate

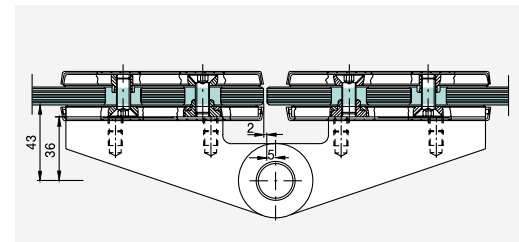

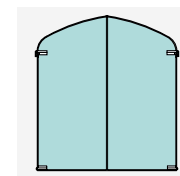

Ref: 02.208LH  
Ref: 02.209RH

### Top Patch

Ref: 02.200LH  
Ref: 02.201RH

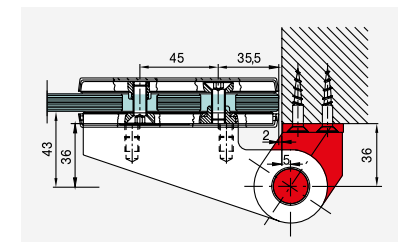

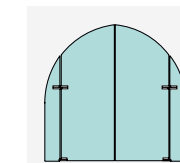

Complete with pivot for sidelight

### Top Patch

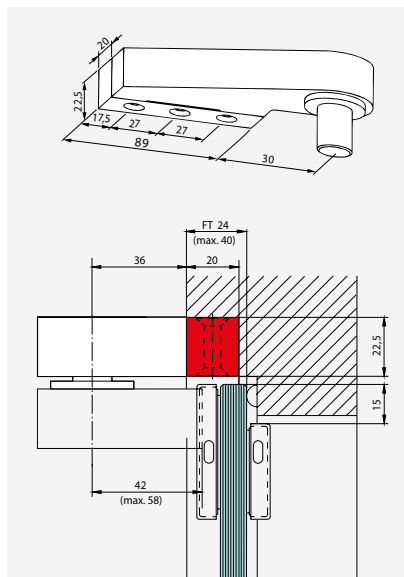

Ref: 02.204LH  
Ref: 02.205RH

Complete with pivot for frame fixing

## OFFSET TOP CENTRES

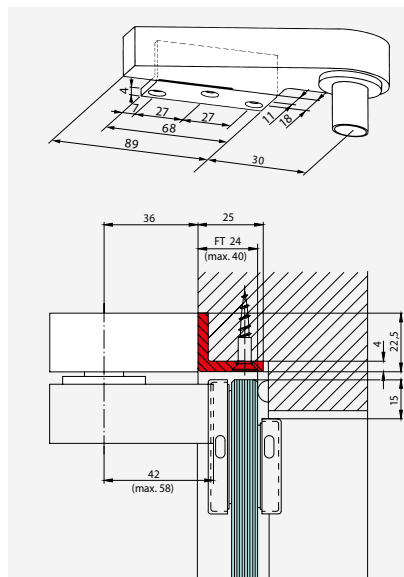

**Note:** If corner fittings / door rails are combined with frame top centres, please indicate rebate depth with order

### Frame Top Centre

Ref: 02.150

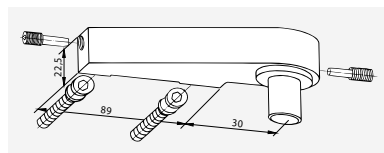

with fixing block

### Frame Top Centre

Ref: 02.151

with angle bracket

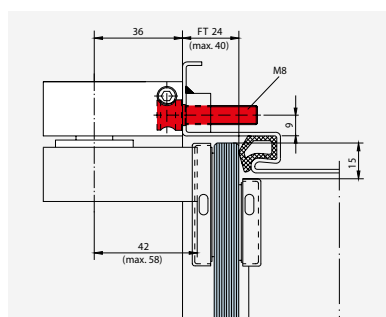

### Frame Top Centre

Ref: 02.152LH

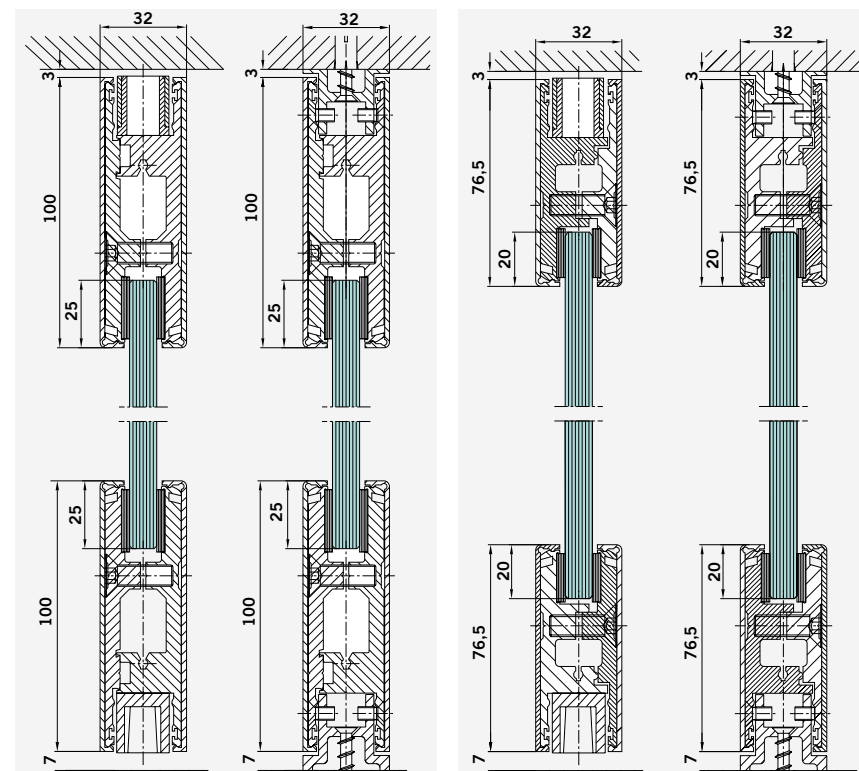

Ref: 02.153RH

only for steel frames, with special wedge screw fixing

## DOOR RAILS

- 100 or 76.5mm rail heights
- Available in Satin/Polished Stainless Steel, Mill or Anodised Aluminium finish
- Rails to suit 13.5mm, 15mm, 19mm glass available from stock

### Door Rails

100mm high

### Side Panel Rails

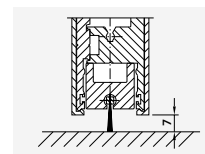

100mm high

### Door Rails

76.5mm high

### Side Panel Rails

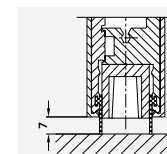

76.5mm high

### Aluminium Profile Brush Seal

Ref: 04.600

to prevent draughts and energy loss connected with door rail at manufacturer

### Rubber Sealing

Ref: 04.607

for door rails fix length

Ref: 04.608

for door rails fix length

## DOOR RAILS

- 100 or 76.5mm rail heights
- Available in Satin/Polished Stainless Steel, Mill or Anodised Aluminium finish
- Rails to suit 13.5mm, 15mm, 19mm glass available from stock

### Bottom Rail

100mm: Ref: 04101

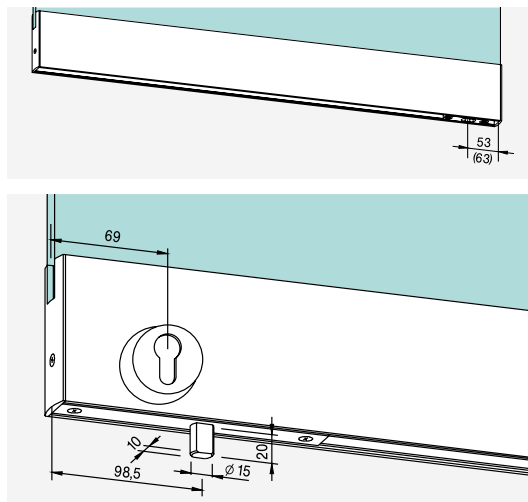

76.5mm: Ref: 04001

with Stainless Steel insert to suit  
DORMA floor spring spindle

100mm: Ref: 04111

76.5mm: Ref: 04011

with floor locking lock,  
Europrofile cylinder, single  
throw with corrosion resistant  
bolt and hardened safety roll pin

### Top Rail

100mm: Ref: 04102

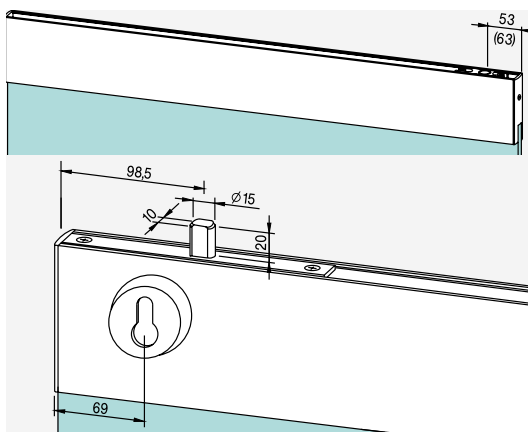

76.5mm: Ref: 04002

with insert to take 15 mm Ø pivot pin

100mm: Ref: 04112

76.5mm: Ref: 04012

and top locking lock, Europrofile  
cylinder, single throw with corrosion  
resistant bolt and hardened safety  
roll pin

### Top Rail (for RTS85 Closer)

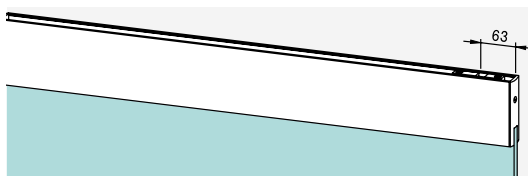

100mm: Locking Ref: 04116

Non-locking Ref: 04106

76.5mm: Locking Ref: 04016

Non-locking Ref: 04006

with insert for DORMA RTS  
transom closer

## DOOR RAILS

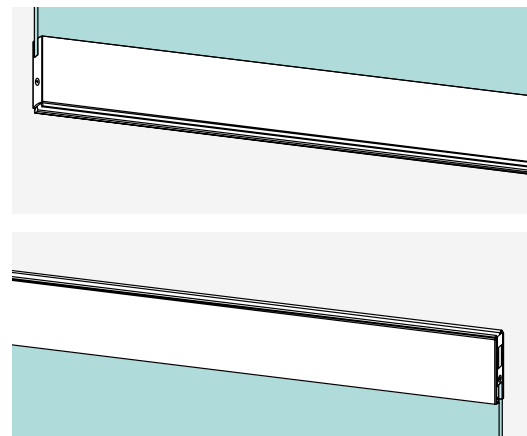

- Side panel door rails
- Offset hung doors - Door rails for offset hung doors in toughened glass assemblies without rebated frames

### Side Panel Bottom Rail

100mm: Ref: 04301

76.5mm: Ref: 04201

up to approx. 6000mm long with  
rail filler insert 7mm

### Side Panel Top Rail

100mm: Ref: 04302

76.5mm: Ref: 04202

up to approx. 6000mm long with  
rail filler insert 3mm

### Offset Hung Bottom Rail

100mm: Ref: 04.131/04.133

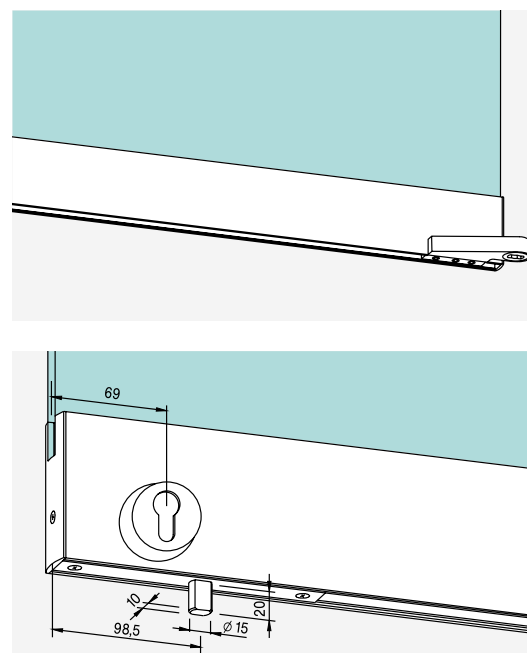

76.5mm: Ref: 04.031/04.033

100mm: Ref: 04151RH/04153LH

76.5mm: Ref: 04051RH/04053LH

with floor locking lock, single  
throw with corrosion resistant bolt  
and hardened safety roll pin

Available for rebated and non  
rebated frames, frame depths of 24  
or 40mm. Please ask for details.

## ACCESSORIES / CLAMPING FITTINGS

**Important information:** For free hanging mounting of glass please use safety clamping fittings.  
Torque for fixing screws 15 (M 6=Allan key size 5). 20kg load for each clamping fitting.

### Clamping Part

for 8mm glass thickness:

Ref: 07.043

for 10mm glass thickness:

Ref: 07.004

for 12mm glass thickness:

Ref: 07.005

For safety type:

for 8mm glass thickness:

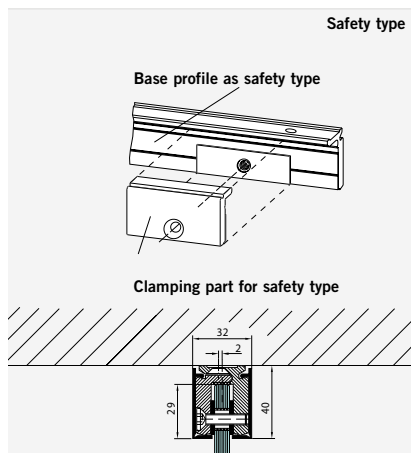

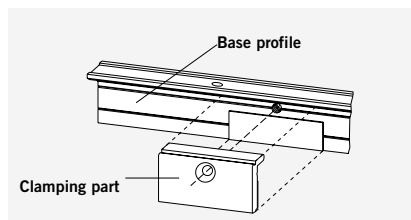

Ref: 07.063

for 10mm glass thickness:

Ref: 07.064

60mm long with screw and gasket

Weight in kg/m: Aluminium 0.055

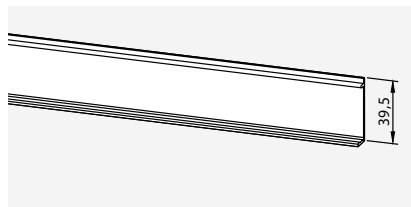

### Clip On Cover Profile

Ref: 07.003

fixed length Ref: 07.053

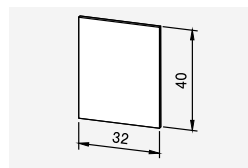

6000mm stock length, Brass, Stainless Steel, Satin and Stainless Steel Polished door available

### End Cap

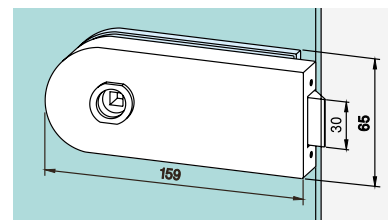

Ref: 07.007

for 8 and 10mm glass thickness

## STUDIO RONDO LOCKS & LEVERS

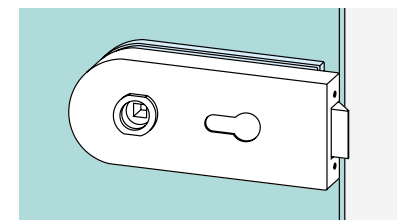

- Available in Simulated Satin/Polished Stainless Steel or Satin Anodised Aluminium finish
- Locks with follower

### Latch

Ref: 10.200

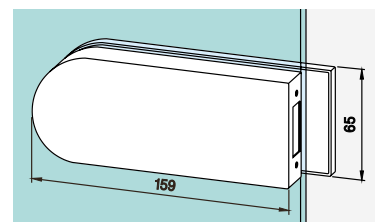

Non-locking

### Lock

Ref: 10.202

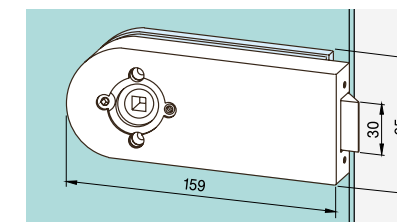

prepared for Europrofile cylinder, nightlatch function

### Strike Box

Ref: 10.220

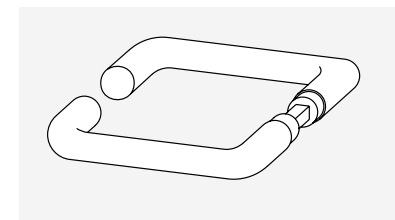

for pairs of doors

### Lock

Ref: 10.260

Non-locking

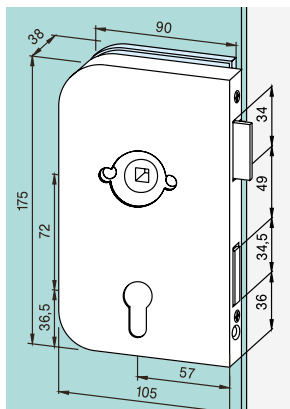

### Set of Levers

Ref: 10.301

Tubular, for follower

## JUNIOR OFFICE LOCKS, STRIKE BOXES & LATCHES

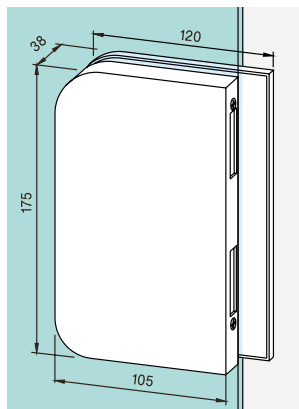

- Available in Simulated Satin/Polished Stainless Steel or Satin Anodised Aluminium finish

### Lock

Ref: 11.200LH  
Ref: 11.201RH

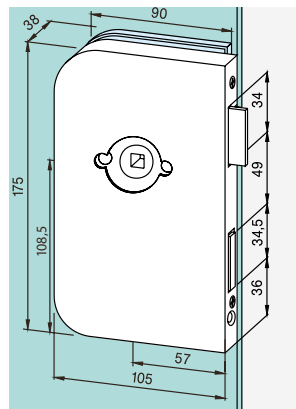

Europrofile  
cylinder, nightlatch  
function

Ref: 11.206LH  
Ref: 11.207RH

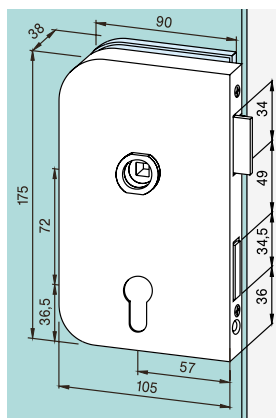

For pairs of doors

### Latch

Ref: 11.208LH  
Ref: 11.209RH

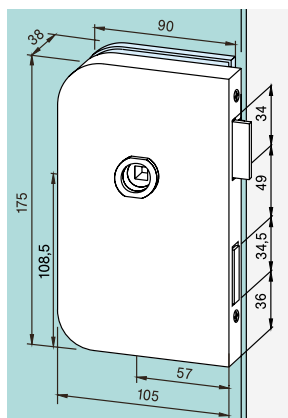

Non-locking, for  
use with levers on  
rose

### Lock

Ref: 11.260LH  
Ref: 11.261RH

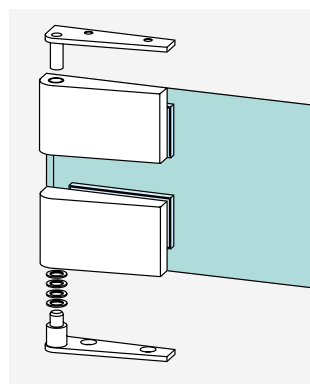

Prepared for Europrofile  
cylinder, for use with  
levers without rose

### Latch

Ref: 11.264LH  
Ref: 11.265RH

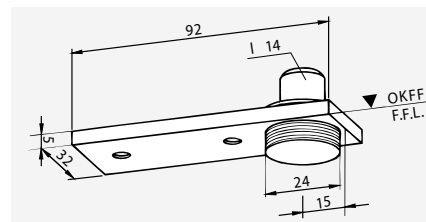

Non-locking, for use with  
levers without rose

### Set of Corner Hinges

Ref: 12.040LH  
Ref: 12.041RH

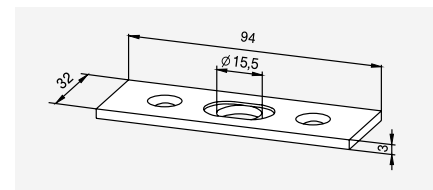

10mm glass thickness with  
free glass edge (for rebate)  
on top resp. underneath  
and at side door weight  
max. 80kg door width max.  
1100mm

### Floor Pivot Bearing

Ref: 01.106

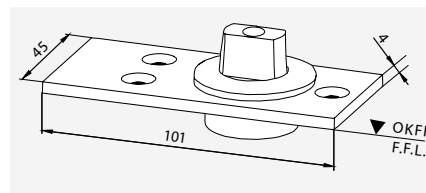

Height adjustable by 5mm max.  
door weight 100kg

### Lock Keeper Plate

Ref: 05.190

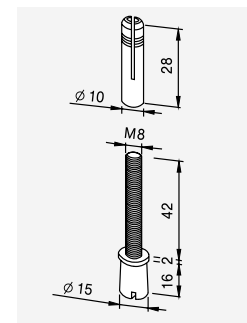

Stainless Steel, two parts,  
adjustable  $\pm 5$ mm

### Floor Bearing

Ref: 04.602

with DORMA profile spindle max. door  
weight 200kg

### Pivot

Ref: PT25

15mm  $\varnothing$  with plug

## DORMA ACCESSORIES

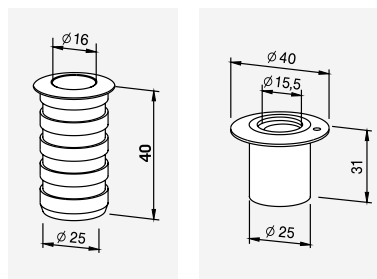

### Floor Sockets

Aluminium: Ref: 05.193

with spring and plastic  
stopper, dirt protection

Eccentric Stainless Steel: Ref: 05.193

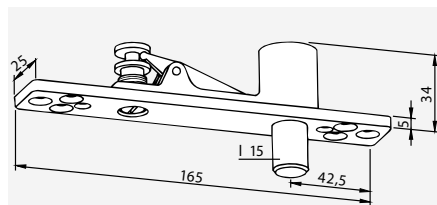

with adjustable plastic insert

### Frame Portion

Ref: PT21

Top centre with removable pin  
15mm Ø with cover plate

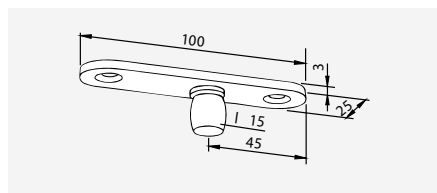

### Pivot

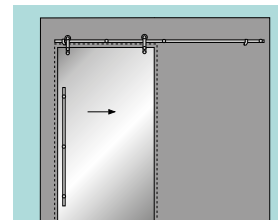

3mm Ref: PT24

6mm Ref: PT46

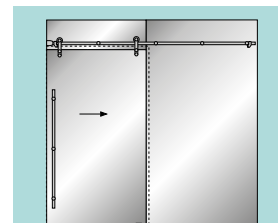

15mm Ø with fixing plate

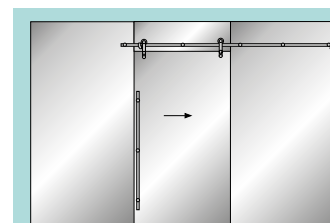

## COMPACT SLIDING DOOR SYSTEMS

Set 4.1/4.2

Set 5.1/5.2

Set 6.1/6.2

The aesthetic elegance of the MANET COMPACT concept is also available in the form of standardised sets for simple, fast planning of the more popular system types with 8, 10 or 12mm toughened safety glass (TSG). Optional accessories enable the individual sets to be semi-customised.

The system components offer numerous adjustment possibilities in order to ensure problem-free installation of whichever door type. Wall abutment profiles may need to be provided (by others) for fixing overpanels and sidelights.

The system components offer numerous adjustment possibilities in order to ensure problem-free installation of whichever door type.

Wall abutment profiles may need to be provided (by others) for fixing overpanels and sidelights.
