Technical information

Materials:	Steel
Standard Finish:	Plascoated in Black
Optional Finish:	Plascoated in Blue or Light Grey
Security:	Centre Locking Loop
Fixing Options:	Wall Mounted
Optional Extras:	Location identifiers, signage
BREEAM:	Our products will assist with achieving BREEAM rating
Product Warranty:	Two years
Benefits:	This easy to install product allows one cycle to be vertically stored against the wall. The Plascoat finish creates a smooth surface that will not pierce or damage bicycle tyres.
Minimum Height:	2100mm
Recommended Height:	2200mm
